

# Reading for Health

## Venus Voices - Skelmersdale Library

[The Sewing Rooms](#), with the help of our Friends group (FoSL) brought their 'Silver Sewers' group to the library on Saturday 14 April 2018. The group are working with our community to create a banner that will be paraded in London on Sunday 10 June 2018 at 'PROCESSIONS' (a once-in-a-lifetime opportunity to take part in a mass participation artwork to celebrate one hundred years of votes for women).

The event in the library ran from 11-3. Over 45 attended (a real mix of generations working together) and had the opportunity to create and craft a piece of artwork to be added to the banner.

Partners working together ensured this event was a success.

Sewing Rooms - 'Our goal is to improve the health and wellbeing of the communities we work with, as well as improve peoples' life chances'.

'A really well attended event with generations working together'.

Mary, Chair of Friends of Skelmersdale Library
